Health Officer Issues Warning

A senior citizen greets the morning, peers first up, then down the street, goes over and puts a bag of garbage into the street can, looks around to see if anyone saw him, then goes back home. A young couple spread their garbage under a black tarp in their back yard. A carpenter takes a bagful with him to the trash box on the job. A housewife hands a bagful to her gardener along with his check.

These people are all breaking the law in Albany, where it is illegal to haul even your own garbage over the city streets. The city employs Oakland Scavenger Company as the only authorized service to haul garbage and to bill the people.

Homes, apartments and businesses alike are obliged to have a minimum of one 30-gallon can service per unit per week. Service for apartment houses of four or more units can be a bin for very little additional cost, saving the hassle over who is using whose can. Business can use giant dumpsters provided by the company to handle large amounts of waste.

The Albany Health depart-

ment has just completed a mailing to the list of unserved premises. Feeling runs high among people who claim the right to dispose of their own garbage in their own way. The same arguments they use could attempt to justify their own sewage disposal or water supply. However, to protect public health at the reasonable rate of \$1.90 per month, a single company is hired to do the whole job, and contract renewal depends on the service they render for the price.

Eating establishments must have service twice weekly, since their wastes are most attractive to flies and animals. During hot weather, when temperatures average above 70 degrees for a week, pickup may have to be twice a week for everybody in order to keep down fly production. The time from egg to adult fly is 12 days in cool weather, reducing to 6 or 7 days when it is hot.

Under certain circumstances an exemption from compulsory service may be extended if the health department can be assured there is a hardship and no nuisance exists or will arise as a result of the exemption, stated Harold Van Coops, deputy health officer.

Albany Bowl Celebrates Its 25th Anniversary

Albany Bowl will celebrate its 25th birthday on August 5, and proprietor Bill Lacy and staff are planning festivities of gala proportions for that day.

A cocktail party and buffet dinner for the bowlers who were members of leagues during that inaugural 1949-50 season will kick off the celebration August 5, between the hours of 4 and 8 p.m. The bowl will be closed to its usual clientele during those hours, but will be opened for regular business at 8:30 that evening, and will be followed by special events and prizes during the month of August.

With the late Frank B. Lacy as president and William Lacy as general manager, Albany Bowl first opened its doors as a 16-lane establishment. Two subsequent additions have more than doubled its capacity to 36 lanes.

In January of 1954 Albany Bowl became the first bowling establishment in Northern California to be equipped with automatic pin setting equipment by American Machine and Foundry Company.

Many of the "Class of '49" are still bowling regularly in one or more leagues, a few of them confine themselves to Senior Citizen circuits, although some add these to their regular bowling schedules.

The bowl is proud also that three of the original employees are still working at Albany; Jim Ohy, Vivian Frank, Sam Holmes, and Bill feels their dedication to their bowling jobs

Children's Home Society Needs Loving Families

When a child must be separated temporarily from his own parents because of some crisis, a warm and loving foster family can often make the difference in helping through a difficult time.

Children's Home Society is seeking additional families to become foster parents for children who need such temporary care. The children range from infants through elementary school age. Sometimes only one child is involved, sometimes two or more brothers and sisters need to be placed together.

Children's Home Society provides foster care for children awaiting adoption and for children needing temporary care while parents are working out family problems.

There is a need for a few pre-adoptive foster homes for infants and toddlers, but the greatest need is for homes for older children. The agency is also licensing emergency foster homes which will be available on a moment's notice to take a child, or children, during a crisis situation.

Foster parents receive board payments for the actual time the child is in the home. Medical care is also provided. In addition, emergency foster homes are paid a monthly retainer fee to be on immediate stand-by. Families interested should call the Children's Home Society of office in Oakland, 655,7406, for additional information.

has contributed greatly to its success.

Bill Lacy and his staff are making a valiant effort to reach as many customers of their first season as possible, and Bill would be the first to admit that it isn't easy, what with moving, name changes, etc. However, from those already contacted by the Albany Bowl staff, the response to the idea of a party in their honor has been most enthusiastic. They want to be there to mingle with their old lane-mates, visit and reminisce and, as one of them phrased it, "to swap a few lies."

Lacy plans to offer his "alumni" a special tournament of two games. Both games will be at handicap, the first using their average at the end of the 1949-50 season, and the second at their last remembered average.

"We may have some trouble with that 'last remembered' part," Lacy acknowledges, "but there'll be no hanky-panky on the 1949-50 averages, we've got 'em down cold there. We dug the averages out of the year book."

Albany All-Stars Have Two Wins

The Albany All-Stars, led by manager Skip Lima and Coach Gary Eggers, shut out both Concord Continental and Lafayette in the first two games of tournament play.

On July 18, Angelo Gilbert yielded a hit to the first Concord batter of the game and proceeded to retire 13 consecutive batters striking out 11 to win the game.

On July 20, Albany defeated a tough Lafayette team. Mike Burgess got the win and was backed by an outstanding defensive performance. Bob Siyishi got the save. Hitting honors again went to Dave Gibbo who had a three for three performance.

The final score was Albany 4, Lafayette 0.

AAA Honors Car Dealers

Three Albany auto dealers who loan cars for use in high school driver education program received awards from the California State Automobile Association (AAA) on July 17.

East Bay Chevrolet, Jim Woulfe Ford and H. L. Moore Chrysler-Plymouth were all honored as well as several dealers from Berkeley and Richmond.

The AAA awards emphasized that dealers who loan dual-control cars make a substantial contribution to traffic safety and enable high school students to develop driving skill and courteous habits through actual behind the wheel training.

The awards were presented by CSAA Berkeley District Manager Robert K. Kunkel and CSAA San Pablo District Manager A. L. Herndon.

CITY COUNCIL

Police Charter Amendments Postponed to March Ballot

The City Council moved at Monday night's meeting to refer two Charter amendments proposed by Police Chief James Simmons to the Charter Review Committee for their consideration on the March ballot.

The first amendment proposed by Chief Simmons would change the classification of Inspectors grade one and two to Captain and Lieutenant plus allowing other titles to be used within the Police Department.

The second amendment would change the requirement of miles from Albany a policeman could reside from 15 to 45 miles.

Chief Simmons had requested that the two amendments be considered for the November ballot, but according to Lewis Bell, chairman of the Citizen's Advisory Committee on Charter Revision, there are already too many amendments on the ballot.

The Council unanimously passed a motion to delay until the Charter Review hearings an ordinance that would govern the reimbursement of expenses. Proposed Charter amendment three specifies reimbursement procedures and amounts. The hearings will be held on August 5 and 12 in the Council Chambers at 8 p.m.

A resolution of commendation for City Clerk Patricia George was also unanimously passed. The resolution cited Mrs. George's "exemplary performance in carrying out the many duties and responsibilities of the office of City Clerk in the best tradition of public service."

In other business, the Council: APPOINTED: Douglas Donaldson, a specialist in Environmental Law, to the Waterfront Committee to replace Paul Sundown Moya; Timothy D. Lundgren to the position of probationary fireman, effective August 1.

REFERRED a communication from Sal Orlando of Richmond requesting the installation of a left turn signal at San Pablo and Solano and at San Pablo and Marin to the Traffic and Safety Commission and the Administrative Officer James B. Turner; a communication from Lewis Bell, Chairman of the Charter Review Committee, regarding the proposed Charter amendments to the scheduled public hearings.

APPROVED a recommendation by the Affirmative Action Committee that all hiring for the City be advertised in both the Albany Times and the Villager and that these organizations be contacted: the Human Resources Department, the United Parents for Progress, Albany High School and the Peralta Colleges.

Golfing For Seniors Slated For G.G. Fields

The Golden Gate Fields Seniors Championships will be staged Tuesday and Wednesday, August 7-8, for persons 50 and older.

Pro Murry Jacobs is offering golf lessons for juniors from noon to 1 p.m., July 23, 25, 30 and 31. Cost is \$1 per hour.

"The Committee wanted to bring this before us now because of hiring that is currently going on," said Councilman Michael Gleason. According to Gleason a full plan would be coming to the Council soon.

PASSED on second reading two ordinances. Ordinance 74-03 would raise the property transfer tax from \$1.40 to \$2.20 per \$1000 of equity on a piece of property. The other ordinance, 74-04, would approve a 15 per cent increase on the horse race admission tax at Golden Gate Fields.

APPROVED permanent status of patrolman for Willard J. Leggett and Sergeant for John W. Megonnigil, both effective August 3; payment of claims in the amount of \$5,625.30.

OPENED bids on the new sprinkler system for Memorial Park. Three bids were made: the Landco Corp., \$14,366 with a bid bond of 10 per cent of the bid; Collinshaw Corp., \$17,834

with a bid bond of 10 per cent of the bid; the Chrisher Co., \$18,172 with a bid bond of \$2,000.

The bids were referred to the City Engineer and the Park and Recreation Department for review. The award will be announced at the next Council meeting.

HELD OVER for one week a resolution setting forth a claim against the Bay Area Rapid Transit District for affirmative action toward eliminating excess noise to give BART time to answer a letter written last week.

DECLARED July 31 Berl Hartman Day in honor of Mrs. Hartman who has been very active in Albany affairs and is moving with her family to Israel. Mayor Clark also presented Mrs. Hartman the key to the City.

In the shortest meeting of the new Council the meeting adjourned at 9:20 p.m.

THE PERFECT HOST

State table wines are extremely adaptable to any food or occasion. An ideal companion for the host and guest in this world of wine, it would be Sebastiani Mountain Pin Rose. This is a medium dry wine with a trace of sweetness. Like a white wine, it has a long, lingering finish. The superb growing area of the Napa, Sonoma, and Mendocino counties are the only source of grapes for Sebastiani wine.
